REMARKS

This is a continuation application, which claims priority from U.S. Serial No. 09/518,321, filed March 3, 2000, which in turn claims the benefit of Japanese Application No. Hei. 11-058742, filed March 5, 1999.

Claims 1-24 are pending. Applicant asks that all claims be examined.

FIGS. 8, 9 and 10 have been amended in the same way as they were in the parent application, including labeling those figures with the legend "Prior Art" and correcting the inadvertent drafting error to FIG. 9. Applicant respectfully request the Examiner's approval of those same changes in this continuation application.

Please apply any other charges or credits to deposit account 06-1050.

Respectfully submitted,
